Agenda Information Sheet

Meeting Date: October 5, 2009	Item # NB 2
Agenda Item: Appointment of General Assistance Staff	
Department Head Recommendation: Vicki Desilets	
<p>During the recent training held at the Community Center it was brought to our attention that no one can represent the Town in a General Assistance meeting until they have been appointed by the Town Council. These appointments need to be made annually.</p> <p>At this time I request Beverly Hasty, Mona Stankovich and myself be appointed as the Town's General Assistance Administrators for one year.</p>	
Town Manager's Recommendation	
<p>It is imperative for the Town to have a staff member available to assist our residents in times of emergency. For this reason we are requesting the appointment of three administrators. Vicki will continue to be the first point of contact, but in the event of illness or vacation Mona and/or Beverly will be able to step in.</p>	
Requested Action	
<p>Motion to Appoint Vicki Desilets, Beverly Hasty and Mona Stankovich as General Assistance Administrators.</p>
