MEMBERSHIP BENEFITS

York Ambulance is the 9-1-1 emergency ambulance service for York, South Berwick and Rollinsford. We also provide non-emergency ambulance and wheelchair transport services. We are an independent agency, not a division of any town fire departments.

Individual & Family Memberships give the peace of mind of knowing you will not have to pay any additional fees (after insurance payments are received) for ambulance transportation services. This includes 9-1-1 emergency response and any non-emergency medical transfers as authorized by your physician. In addition, members receive a discount on wheelchair van service.

Business Memberships provide the same benefit to owners and their employees when York Ambulance responds to the business location.
