**Regional Meeting with Surrounding Towns** – We had a fine turnout with representatives from Kittery, Eliot, York, Ogunguit, Wells, and Berwick. Each town spoke about some of their successes and challenges and current priorities. An e-mail list will be distributed to all in attendance so that we can reach each other as resources, to carpool to workshops etc. The group also had time to talk further in small groups over refreshments. All agreed they would like to meet again in six months, possibly hosted by Eliot.

Respectfully submitted,
