Mail:

Received an acknowledgement from Great Works Regional Land Trust (GWRLT) for \$50.00 received. This was the remaining balance of our 2012 annual membership dues.

Received a Notice of Proposed Routine Program Changes to the Maine Coastal Program.

On Going Business:

Town Planning Board: Nothing reported.

Town Forest: Commission was advised by the Boy Scouts' leadership that there was no current interest in the Forest work, projects or camping due to the high tick population.

Open Space Planning: The next meeting is scheduled for Tuesday, August 21, 2012.

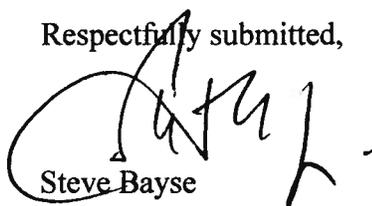

During this meeting, the Commission hung the Open Space Committee map of South Berwick, accompanied by a number of photos representing open space, in the Town Hall. This will provide additional awareness on current open space areas, as well as solicit input from citizens on areas of the Town that they feel should be considered in the development of the Open Space Plan.

Community Forest – Green Parcel: This concerns a 280 acre parcel on Witchtrot Road that the Green family is considering the sale of as a Community Forest. Commission discussed and expressed interest in learning more about this project and the possible involvement of the Conservation Commission. Pat will contact Tin Smith, President of GWRLT.

New Business:

None

Respectfully submitted,

Steve Bayse
