

South Berwick Conservation Commission

March 27, 2013- Meeting Minutes

Present: Marilyn Ladner, Steve Bayse, Pat Robinson

Absent: Smilie Rogers and John Klossner

Next Meeting: April 27, 2013

Minutes of February 27, 2013: Marilyn made a motion to approve, Pat seconded. All approved.

Mail: Received mailing related to the Maine Land Conservation Conference 2013, April 26th & 27th.

On Going Business:

Town Forest: Need to plan a spring workday; need to determine required supplies: paint, lumber for bridge and kiosk repairs. Pat to determine volunteer availability for proposed forest walk-through on Sunday April 14th at 10 am.

Steve made a motion to spend up to \$20 for paint for new trail blazing and to cover old blazes. Marilyn seconded. All approved.

Open Space Planning:

Commission needs to determine if Planning Board has sent their recommendation for adoption of the Open Space Plan as a working document to the Town Council as they stated they would in their March 6, 2013 meeting. At the request of Council member Jean Demetracopoulos, Pat to confirm a copy of the Open Space Plan is available at the South Berwick Library.

Steve to continuing working on a Thank You letter to be sent from the Commission to all those who participated in the Open Space Committee.

Earth Day Clean up/Water Testing:

Pat reported \$23.00 was spent for printing of the Well Water Testing and Earth Day cleanup posters.

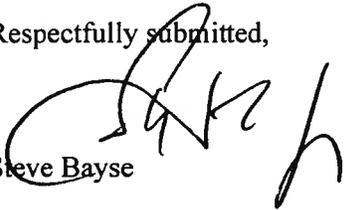

Steve to complete press releases for the Well Water Testing and Earth Day cleanup for submission to The Weekly Sentinel. Pat to have the details sent out in the Town public notices.

Invasive Species: Pat reported that Kate Hanson, a Great Works Regional Land Trust member, is interested in being involved in this project as well. The vision for this is the development of fact sheets, posters, and provide the information on the Town website.

New Business:

None

Respectfully submitted,

Steve Bayse
