Minutes of Feb. meeting unanimously accepted

Agenda: Approve By-Law changes, MDOT proposed work

The changes to the By-Law were approved with all members present voting Aye.

After reviewing the information on the proposed MDOT installation of a plunge pool, it was determined that there would be no impact on any historic properties.

A general discussion was held regarding the progress of the National Register Project. It seems to be moving forward in a timely fashion. The HDC will send letters to the homeowners of those nominated houses to notify them of the selection. A presentation may be offered to the homeowners and public to introduce the selected homes.

Meeting adjourned at 8:00 pm
