

Beards for Bucks Campaign

For the month of October, members of several law enforcement agencies in York County are invited to go “razor-less for a reason” and participate in our Beards for Bucks Campaign. For a fee of \$25.00, officers may grow a beard, mustache, or goatee. All proceeds benefit the Children’s Advocacy Center of York County. If other community members would like to make a donation to the cause, please feel free to do so by sending in a check payable SARSSM and in the memo line please write CAC of York County.

The Children’s Advocacy Center of York County is a child-friendly place that serves children and families after an allegation of sexual abuse. They have trained professionals who provide forensic interviews, advocacy, referrals and support for the child and their non-offending caregiver. They work together with law enforcement, the Department of Health and Human Services, the District Attorney’s office, mental health providers, medical personnel and advocates as a collaborative multidisciplinary team. Their goals are to reduce the re-traumatization of children, increase access to services and hold more offenders accountable.

We dedicate this fundraiser to Detective Peter Wentworth of the Biddeford Police Department, one of the founding members of the Children’s Advocacy Center of York County. Detective Wentworth was a fierce advocate for the Children’s Advocacy Center since its inception. He attended and actively participated in every Advisory Committee meeting. Detective Wentworth vocalized his unwavering support for CACs in all of his affairs. We are greatly indebted to him for his passion, perseverance and skills as a Detective in our communities. Rest in Peace Detective Wentworth, we’ll take it from here.
