

# **The South Berwick Flag Brigade wants YOU!**

Since 2006, the Flag Brigade's dedicated group of volunteers has worked together to place up to 135 American Flags on Main Street and Portland Street on the seven (7) Patriotic Holidays between April and November each year. The flags are displayed from 6:30am – 6:30pm. Set up and take down takes about an hour. The flags are meticulously cared for and give a sense of pride and patriotism to residents and travelers through town.

The Flag Brigade is encouraging new volunteers to join the team. With additional help volunteers can take turns on these holidays. All are welcome! Volunteers who could provide a pick-up truck to help transport on these days would be greatly appreciated.

Come join us and enjoy the gratitude you'll receive from passers-by and the sense of pride this display creates!

If you would like more information or to join the Flag Brigade and help with the South Berwick Display of Flags, please let us know.
